Summary of Qualifications

A creative, dedicated, easy to get along with, and student-focused teaching professional with a master's degree in TESOL and 25 years of teaching experience who is committed to providing a well-balanced, supportive, and engaging learning environment for all students. A hardworking, trustworthy, and passionate educator who strives to collaborate with all members of the school community to meet the students' needs and promote the philosophy of the school. My objective is to obtain a teaching position that will benefit from my previous teaching professional experience where there will be room for professional growth.
